About Barcelona Contemporary

ITSLIQUID Group announces the open call for the 4th edition of BARCELONA CONTEMPORARY 2025, an international exhibition of photography, painting, video art, installation/sculpture and performance art, which will take place in Barcelona, at ITSLIQUID Art Space – Barcelona from May 10 to May 19, 2025.

BARCELONA CONTEMPORARY 2025 provides artists and exhibitors with the unique opportunity to present their works to an international audience of professionals as curators, gallerists, collectors, editors and publishers who seek to acquire, publish and encourage the best contemporary art talents.

BARCELONA CONTEMPORARY 2025 analyzes the relationship between body and space, and the hybridization between identities and cultural/physical/social/urban settings in contemporary times, through two main sections: MIXING IDENTITIES and FUTURE LANDSCAPES.

MIXING IDENTITIES analyzes the hidden parts of our identities, through an immersive experience inside the fascinating universe of the complex labyrinths of our consciousness. The human body is a changing system that

connects us with other bodies and spaces to perceive the surrounding reality; a strong communication system with its language and infinite ways of expression.

FUTURE LANDSCAPES are abstract, infinite and conceptual, associated with a sense of freedom and infinite extension. Primarily experienced with the mind, spaces redefine their limits and borders, transforming surfaces in an open flow of pure ideas. This section focuses on the concept of the borders and the structures between body, mind and soul, the human identity and the city, the space and the ground.
