Be part of the New European Bauhaus

Join the Festival of the New European Bauhaus and take part in the Forum, Fair and Fest in Brussels, watch it online or attend Satellite events across Europe and beyond.

Take part in the New European Bauhaus Festival, where imagination meets sustainability and inclusivity for a beautiful future. Join in Brussels from the 9th to the 13th of April in Parc du Cinquantenaire and the Arts & History Museum, online, or attend a Satellite Event from Europe and beyond.

During interactive sessions, workshops, demonstrations, and artistic performances, you will discover and experience the innovative power of Europe in building a common future that is not only visually stunning but also mindful of the collective well-being.

The Festival will also feature the New European Bauhaus Prizes 2024 Ceremony, rewarding 20 projects, designs, and ideas that align and exemplify the movement's commitment and embody the NEB values. Find out who are the finalists of the NEB Prizes 2024 in the exhibition in the Museum Stage. The 2024 edition will feature a Special Recognition to Ukraine's Reconstruction and Recovery Effort and will put the spotlight on regions across the EU facing more intensively socio-economic constrains, and places challenged the most by the need to evolve to a carbon neutral economy.

Open and free for everyone

Brought to you by the European Commission in cooperation with the Belgian Presidency of the Council of the European Union, this festival invites everyone to embark on a 5-days journey of creativity and collaboration exchange on your visions with people from Brussels and across the globe.
