About the CASE Malta Programme

The CASE Malta Programme, inspired by the international CASE  
model, provides training certified by the [University of  
Manchester](#) and has been adapted to Malta's unique creative  
environment. Designed for early- and mid-career creatives, the  
programme addresses local needs highlighted through focus

groups with Maltese artists, grassroots organisations, and other creatives. Each cycle will support participants with skills to promote their growth and strengthen their contributions to the cultural landscape of Malta.
