CBSS | Open Call for the Baltic Sea Youth Working Groups

Applications are open until the 19th of March 2023.

The Council of the Baltic Sea States (CBSS) supports young talents in becoming region builders and gives youth the opportunity to share their knowledge and discover ways to apply it in an international environment by creating Baltic Sea Youth Working Groups.

The CBSS is awaiting applications from young people who are interested in shaping the future of the Baltic Sea Region, working on long-term projects with other BSR experts, developing interpersonal skills and gaining valuable experience!

There are currently three working groups to choose from:

- Security Group which will focus on developing concrete actions to enhance civil security cooperation in the Baltic Sea Region.
- Cultural Group which will contribute to enhancing cultural cooperation in the Baltic Sea Region. The group will be cooperating closely with the Policy Area Culture Coordinators in the EU Strategy for the Baltic Sea Region.
