CHLaydoscope | Open Call Leader in Your Community Training

Applications are open until 23 January 2023.

Do you belong to a group of motivated people or a start-up team who really want to make a difference, and where you are considered as a resource when leadership is needed? Have you ever asked yourself “How can I contribute toward society?” Whether you consider yourself a leader or not, all members of a group can perform leadership functions, and become familiar with attitudes, competences and tools which can improve your group’s performance.

Learn how to become an effective community leader!

CHLaydoscope project can help you to perform successfully in your role and to engage your community!
