About CoMuseum 2024

Building on last year's theme, “Museums and Justice,” the

[CoMuseum](#) 2024 Conference will explore museums' responsibility as trusted institutions in addressing diversity, equity, inclusion, and accessibility. Topics include adopting restitution policies, conducting provenance research, and confronting disinformation to enhance fair treatment and social responsibility within communities.

The CoMuseum is an international museum and cultural stakeholders' conference enriched by satellite events, organized yearly at the Benaki Museum in Athens, Greece and at the Thessaloniki Concert Hall. CoMuseum acts as a global platform of expertise for the wellbeing of cultural organizations and the communities they serve, fostering the production and exchange of ideas and the facilitation of networks between culture and arts professionals from all over the world.
