CROWD | International Dance Exchange

Call out for dance artists to apply for the 2022 dance residency programme.

Application deadline: Monday 21 March 2022

The CROWD network calls for dance artists from across Denmark, England, Finland, Iceland, Ireland, the Netherlands, the federal state of North Rhine-Westphalia (NRW) in Germany, Norway and Scotland to apply for the 2022 dance residency programme, CROWD – international dance exchange.

The programme aims to support dance artists with an established practice in community engaged dance making to build their professional network, exchange experience with others in the field and develop their practice while generating new knowledge in the area of community engagement in dance.

The CROWD network is committed to promoting a diverse and inclusive community and we encourage applications from those from under-represented backgrounds. We have bursaries and support in place to accommodate applicants with additional access needs or caring responsibilities and we'd be happy to discuss any of this with applicants prior to submitting an application.

Fee: €3000/£2500 per artist to include residencies (4 weeks), any preparation and the additional digital sessions across the year (approximately 5 sessions of 1-2 hours, TBC).
