What is it about:

The Culture and Creativity for the Western Balkans (CC4WBs) project aims to enhance cultural and creative sectors in the region, fostering dialogue and socio-economic impact. The project supports activities that promote inclusive cultural policies, regional cooperation, artist mobility, and the protection and promotion of cultural heritage. The initiative emphasizes fair partnerships, active participation, and the celebration of cultural diversity.

Application Details:

Applications must be submitted via the online application form. Required documents include an application form, estimated budget, and, if applicable, a Cluster Strategy. An expert jury will select proposals, with notifications sent at the end of October 2024. Selected projects will be implemented from January to December 2025.
