EDN Atelier | Equity in Dance: What Challenges?

The event will take place on the 22nd and 23rd of March 2023 as part of the 22nd edition of the Biennale.

Common in the international cultural sector, yet still hard to grasp for many working in the field, the notion of equity encompasses important issues: representativeness, cultural rights, solidarity... How can artists and professionals seize the principle of equity in creation, in their relations with the public and in international collaborations? The two-day Atelier, open to artists and cultural professionals, offers a space for discussion and practice around issues of fairness and solidarity. Space will be given to both European and non-European perspectives.

The Atelier is hosted by la briqueterie CDCN du Val-de-Marne and will take place on 22 and 23 March 2023 as part of the 22nd edition of the Biennale de danse du Val-de-Marne at la briqueterie CDCN du Val-de-Marne, Vitry-sur-Seine. Registration is open to both EDN members and non-EDN members.

Participants can join the Atelier free of charge without receiving travel support, but will have to book and cover travel and accommodation individually.

Deadline: 15 March 2023
