

Women Leadership Programme

All CCS and Cross-sectoral Organisations and initiatives All Europe Countries

EIT | Open Call for the EIC Women Leadership Programme

Applications are open until the 17th of March 2023.

The European Innovation Council (EIC), in partnership with the European Institute of Innovation & Technology (EIT) announced the launch of the 3rd cohort of the EIC Women Leadership Programme (EIC WLP).

Building on the success of previous editions, this cohort, running from April to June 2023, will offer EIC and EIT women entrepreneurs the tools and support to enhance their leadership and entrepreneurship skills.

The WLP initiative supports, inspires, and empowers women to be innovators. This cohort will provide the selected entrepreneurs with training and networking events, as well as business coaching and mentoring opportunities for career development.

Key components of the programme

- Training Sessions: deep dive into a variety of leadership and entrepreneurial topics.
- Networking Events: expanding your contacts into the business world.
- Coaching Scheme: addressing your business challenges.
- Mentoring Scheme: unlocking your personal career development.

Eligibility criteria

The 3rd cohort of the EIC Women Leadership Programme is dedicated exclusively to entrepreneurial women who run or are employed by small and medium enterprises awarded under the following EIC and EIT schemes:

- SME Instrument Phase I and Phase II
- EIC Transition
- EIC Pathfinder
- EIC Accelerator
- Seal of Excellence under Horizon Europe
- Women TechEU (2023 batch)
- EIT (all KICs)

This programme is for you if you are a woman and an entrepreneur in a management position who wants to

strengthen your entrepreneurial skills and expand your network. You are also eligible if you work within established companies and aspire to take over leadership positions in business development.

Deadline: 17 March 2023
