The 2023 edition of the ENCATC flagship event will be focused on the impact, opportunities and challenges of artificial intelligence in the cultural management and policy fields.

Save the date for 3 days of discussion, exchange and networking.

The ENCATC Congress on Cultural Management and Policy is a global gathering dedicated to the advancement of theory, education, research and practice in cultural management and policy. It has become the cornerstone in the annual calendar of the cultural management and cultural policy community. Each year, educators and researchers with cross-disciplinary interests connect with professionals, policy makers, artists and students. Together they work to address pressing issues, explore ground-breaking innovations, bridge the knowledge gap, promote research esteem and the evolution of pedagogy, and encourage steps to ensure significant improvements in the industry.

Congress highlights include:

- The ENCATC Award for Outstanding Contribution to cultural management, education, research, and policy.
- The ENCATC Research Award Ceremony.
- The Education and Research Sessions.
- Study visits to major cultural organisations.
- The Global Conversation.

Event: 11-13 Oct 2023 Helsinki, Finland
