EUNIC is the European network of organisations engaging in cultural relations. Together with our partners, we bring to life European cultural collaboration in more than 90 countries worldwide with a network of over 120 clusters, drawing on the broad experience of our members from all EU Member States and associate countries. EUNIC advocates a prominent role of culture in international relations and is a strategic partner of the EU, actively involved in the further definition of European cultural policy. EUNIC is a platform for knowledge sharing and for capacity building amongst its members and partners.
