On December 6, the Forum "Museum of Ukrainian Victory”, dedicated to digitizing heritage, will be held in Lviv, Ukraine and online.

On December 6, in Lviv the exhibition of digitized wartime heritage opens, within the framework of which the Forum "Museum of Ukrainian Victory" will be held online and offline.

Pixelated Realities PO gathers major stakeholders in the sphere of heritage conservation in Ukraine and EU, including representatives of Ministry of culture and information of Ukraine, Mayor of Lviv (UNESCO World Heritage City), 4CH Project, UNESCO Denmark, CCR - La Venaria Reale to speak about the strategies for recovery after the major ruination of heritage sites from the russian war.

Within the framework of the Forum, a presentation of the Museum of Ukrainian Victory, three panel discussions on the preservation of cultural and historical heritage, 3D scanning during the war, and the heritage perspectives of the future are planned. In the evening, participants will visit the exhibition, networking and watch documentaries.

Representatives of the government, scientific and business circles, object scanners, journalists and volunteers will take part in the discussions.

Participants and journalists are invited to register to receive an invitation.

Please fill in the registration form (separately for each participant)

Registration lasts until 17:00 on December 5, 2022.

The Forum will be held in the shelter inside the Hnat Khotkevych Palace of Culture.

The exhibition of digitized heritage "Museum of Ukrainian Victory" will be held in the Memorial Museum of Totalitarian Regimes "Territory of Terror".

The exhibition will be working from 6 to 20 December 2022.
