

All CCS and Cross-sectoral Funding International

Funding Opportunities for Equal Rights and Social Justice

We gathered funding opportunities for activists, grassroots organisations and journalists looking to support their projects from across the world.

Are you an activist, grassroots organisation or journalist looking for small-to-medium sized funding for advocacy, social/climate justice, civic freedom, or women's rights? Here are some international grants to support your ideas and initiatives and give you the opportunity to share your project with the world.

Het Actiefonds is offering social movements and action groups grants for specific protests and campaigns that strive for a sustainable and socially just world in which people and the environment are valued above economic interests.

Funding: €750 - €2.000
