HEY FASHION! is here to educate you on your rights

HEY FASHION! a platform for the fashion industry has created a legislation tracker for EU and USA.

HEY FASHION! Is a platform dedicated to elevating the issue of textile waste in the fashion industry.

Among organising events, researching on reports and taking action on the most urgent issues related to the fashion industry, the platform created a tracker including legislations from EU and USA.

HEY FASHION! gives a detailed analysis on the way each legislation is being proposed, reviewed and adopted.

Browse the Legislation Tracker [here](#) and find the article that best describes your needs.
