Navigate digital transformations with the new infographic version of the Ultimate Cookbook on the EU Digital Strategy

Based on the recently released "The Ultimate Cookbook for Cultural Managers: Connecting the EU Digital Strategy with Live Performance Organisations", this infographic provides a visual guide to navigate the new digital innovations and their impact on live performance organisations, from the production phase to the diffusion.

With special focuses on online digital content, artificial intelligence, cross-border mobility and visa procedure, the infographic gives advice and provides background information to make your digital transition smoother.

This infographic was created in collaboration with the European Festivals Association, in the framework of the Revealing the Alliance project that is supported by Creative Europe.

Download the infographic and read the Cookbook for a more in-depth look into the topic.
