#### About the Event

[Collab4HySustCCI](#) is a Creative Europe-funded initiative uniting partners from Italy, Bulgaria, Greece, Serbia, and Denmark. Through capacity building, mentoring, and small grants, the project supports cultural organisations to adopt innovative, participatory, and sustainable practices.

This knowledge-sharing event will feature:

- Workshops with local communities focused on participatory

engagement.

- Networking and exchange sessions for cultural professionals from South-Eastern Europe to share experiences and explore new partnerships.
- Discussions on the future of CCIs, addressing sustainability and innovation.

## Programme Highlights

### Day 1: Collab with Local Communities

- Date: 27 February 2025
  - Location: Cultural Centre of Municipality of Aspropyrgos, West Attica
- Participants: Women's communities and cultural professionals from Aspropyrgos, Elefsina, and surrounding areas
- Focus: Community-led participatory workshop

### Day 2: International Exchange for Innovation in CCIs

- Date: 28 February 2025
  - Location: Stavros Niarchos Cultural Centre, Athens & online
- Participants: Cultural organisations, associations, social enterprises, creative professionals, and institutional representatives
- Focus: International collaboration and innovation in the creative industries
