#### About Craftwork4.0All Mobilities – Round 1

This mobility scheme connects craft professionals from Bulgaria, Greece, Italy, Portugal, Spain, and Sweden with host organisations across Europe to work together on a 10-day co-creation project. The initiative fosters learning, cultural dialogue, and sustainability in craft through shared hands-on experience and international exchange.

#### What to Expect

Selected craft practitioners will travel for a 10-day residency

plus 2 travel days to collaborate on a new craft piece with a host organisation. The programme includes:

- Hands-on co-creation in a European setting
- Opportunities to learn, experiment, and exchange techniques
- Support from a local Sending Organisation
- A shared learning experience that can spark future collaborations

### Why Apply

Craftwork4.0All offers an excellent opportunity for emerging makers and early-career craft professionals to gain international exposure and work alongside experienced hosts.

- Travel, accommodation, and daily expenses covered
- Hosts receive up to €400 to support material costs
- Create meaningful work and professional connections across borders
- Be part of a growing pan-European craft network

### Eligibility

Craft practitioners must be based in one of the following countries:

- Bulgaria (Contact: [office@oecongroup.com](mailto:office@oecongroup.com))
- Greece (Contact: [info@cube.org.gr](mailto:info@cube.org.gr))
