MuseumNext: DIGITAL SUMMIT | 22 - 26 February 2021

In a year when digital has played a vital role in museums, MuseumNext speakers will offer pragmatic, real world insight into how they overcame the challenges of pivoting to digital.

You can read more information [here](#).

The Digital Summit is an annual event organised by MuseumNext. They've been running conferences since 2009, with several thousand attending their events in Europe, North America and Australia each year.

This year, The Digital Summit offers a huge programme of talks with more than sixty speakers sharing their ideas, experiences and innovations.
