

MUSEUMS IMMERSIVE NETWORK 2021

"FUTUREPROOFING MUSEUMS
FOR A POST-COVID WORLD:
THE POTENTIAL OF IMMERSIVE
TECH"

Events International Cultural Heritage & Museums COVID 19

Museums Immersive Network: Futureproofing Museums For
A Post-Covid World.

Join Cornwall Museums Partnership for the second Museums Immersive Network Webinar – an international network for museums and immersive technology.

This event will focus on how immersive technology can be utilised to futureproof museums in a post-covid world. Presentations will cover a range of social, technological, and collaborative developments in the museum and cultural sector, which have taken place this year.
