NEMO | Museums support Ukraine

Support activities and initiatives organised by museums for Ukrainian colleagues and citizens.

Following the war in Ukraine and after receiving calls and messages from colleagues from across Europe asking how they can support their Ukrainian colleagues, NEMO started collecting and monitoring support activities and initiatives organised by museums for Ukrainian colleagues and citizens.

[This page](#) gathers support actions relating to [Storage and Housing](#), [Job offers](#), [Donations](#), [Education and Exhibitions](#) as well as [statements](#) issued by European museum organisations.

Come back to this page regularly since new offers will be added continuously. Submit your contributions (including location and description in English) to weber@ne-mo.org.
