"New European Bauhaus | Basis Event"

"BASIS is one of New European Bauhaus ignite events where 50 participants will work on solutions for an avant-garde and inclusive short-stay accommodation for all types of residencies."

Are your ideas worth 10.000 EURO?

Become part of the Ignite New European Bauhaus Event and help shape and design the coming years of BASIS Vinschgau Venosta! The New Europe Bauhaus is looking for 50 creative minds to participate in the "BED & BASIS" ideas competition. Participants will be divided into 5 groups of 10, each of which will face a sub-challenge.

Price: 10.000 EURO in the form of investment in own projects (mentoring, matchmaking, prototyping, user tests, etc.) as well as participation in the renowned New European Bauhaus Grow Program.

The New European Bauhaus Initiative calls for the co-creation of a sustainable and inclusive future. Tomorrow's places should be beautiful, sustainable and together - a fusion of art, nature and dialogue between cultures, disciplines, genders and generations.

Become part of a team of experts in real estate, local government and design from the Free University of Bozen-Bolzano. Together you will tackle the challenge of developing innovative

solutions for the "BED & BASIS" retreat.

EIT Community New European Bauhaus 'Regaining a sense of belonging' is funded by the European Institute of Innovation and Technology (EIT), a body of the European Union.

Event: 03-04 November 2023 Vinschgau Venosta, Italy

Deadline: 15 September 2023
