On The Move published a mobility funding guide targeted to artists and culture professionals based in the United Kingdom.

This funding guide includes two kinds of mobility opportunities for artists and culture professionals: outgoing and incoming. The outgoing opportunities are for people based in the United Kingdom (the four nations of England, Northern Ireland, Scotland, and Wales as well as British Crown Dependencies and UK Overseas Territories) wishing to travel outside the country. The incoming opportunities are for people from other countries who want to travel to the United Kingdom.

The guide lists local, national, and international resources, both public and private. On The Move has only included opportunities that are regularly occurring, accessible online, invite applications through open calls, and that cover at least a portion of international travel costs.

This guide was produced by in partnership with Arts Infopoint UK, a partnership of members from each of the UK's Arts Councils: Arts Council England, Arts Council of Northern Ireland , Creative Scotland, and led by Arts Council of Wales | Wales Arts International.
