Pearle | Live Performance Europe | Ultimate Cookbook

Infographic on VAT in an international context

This infographic focuses on the consequences of VAT in an international context with a special focus on the EU live performance sector.

The EFA-Pearle "Ultimate cookbook for cultural managers: VAT in an international context" is the basis for this infographic. The infographic presents in a visual way the consequences of VAT in an international context with a special focus on the EU live performance sector.

This infographic is developed in the framework of the cooperation between the European Festivals Association and Pearle* as part of the Creative Europe project "Revealing the Alliance" that runs from 2022 to 2024.
