Perform Europe will launch their second open call for performing arts

Perform Europe will support inclusive, diverse and green touring projects submitted by applicants from the 40 Creative Europe countries.

Perform Europe announced that the second Perform Europe open call will be launched on 1 December 2023 with a deadline of 31 March 2024!

During the four months of the open call, performing arts professionals and organisations from across Creative Europe countries will be invited to use Perform Europe's unique online matchmaking platform to discover performing arts works and concepts, find partners, and co-create innovative touring project proposals.

Perform Europe will grant 2.1 million EURO to at least 35 successful partnerships to implement their projects from July 2024 until the end of 2025.

Online Launch Event

Perform Europe is organising an official Open Call Launch Event on 1 December. Gain valuable insights into the open call, which is aimed at re-shaping the future of international touring in the performing arts across all Creative Europe countries.

Perform Europe is dedicated to supporting the European performing arts sector. Building on the success of its pilot phase from 2020 to 2022, the project is continuing its mission with a new Open Call to foster inclusive, diverse and green collaboration in the performing arts.

Perform Europe is co-funded by the Creative Europe programme of the European Union and is implemented by a consortium of six organisations: IETM - International network for contemporary performing arts, The European Festivals Association (EFA), Circostrada, EDN - European Dancehouse Network, Pearle - Live Performance Europe and IDEA Consult.
