About Rome International Art Fair

The Rome International Art Fair offers a dynamic platform for emerging and established artists to present their work to a global audience. The fair attracts curators, collectors, publishers, and cultural professionals, providing participants with opportunities to gain recognition and develop connections within the contemporary art scene. The 2025 edition analyzes the relationship between body and space, and the hybridization

between identities and cultural/physical/social/urban settings in contemporary times, through two main sections: MIXING IDENTITIES and FUTURE LANDSCAPES.
