The Administration of the National Cultural Fund (AFCN) has created a special chapter on its webpage #stand with Ukraine, disseminating the information received from the Ukrainian Cultural Foundation (the counterpart of AFCN).
It promotes the crowdfunding campaign launched by the Ukrainian Cultural Foundation to restore funding for cultural projects in Ukraine and to preserve the cultural heritage of the Ukrainian nation.
The information regarding the donations to this fund was disseminated during the AFCN Awards Gala and can be found in the brochure available at:
https://issuu.com/afcn/docs/brosura_2021_issu.
