Support for Cultural Activity in Ukraine with UK Involvement

The British Council is offering grants of up to £6,000 to support the integration of UK content and expertise in public-facing cultural programmes in Ukraine. This opportunity is available for projects across a wide range of sectors including literature, film, music, design, fashion, architecture, and visual and digital arts.

Application Deadline: October 31, 2024

Organizer: [British Council](#)

Who is it for: Cultural and creative industries organisations with a focus on arts, culture, and education in Ukraine

Funding Period: Fixed-term projects in Ukraine

Apply [here](#).

About the Grant for Cultural Activity in Ukraine:

The British Council invites cultural and creative organisations from across Ukraine to apply for funding to support cultural projects that involve collaboration with UK artists, experts, or speakers. This grant aims to strengthen cultural ties between the UK and Ukraine, facilitating artistic exchange in various formats, such as exhibitions, film screenings, workshops, and residencies.

Eligible projects:

- Exhibitions featuring works by UK artists
- Screenings of UK films at festivals or public events

- Workshops and conferences with UK experts or speakers
- Collaborative residencies with UK artists

The projects can have physical, digital, or hybrid formats depending on safety conditions in Ukraine. Applications are encouraged from across all creative sectors and at the intersection of arts, creative industries, and education. The grant is open to legally registered non-profit organisations in Ukraine with a proven track record of delivering cultural projects. Experience in international collaborations is an advantage.

The funding supports various activities, such as:

- Expert fees for UK speakers and artists
- Production costs and rights purchase
- Marketing and promotion
- Translation and interpreter fees
- Community engagement activities
- Travel and insurance costs
- Technical support such as power generators and safety equipment

For full details, including budget guidelines and application form, see the British Council [website](#).
