The Break | Fellowship Programme for Women Entrepreneurs

Applications are open until 12 February 2023.

Join the break

A once-in-a-lifetime journey to build an international network of 1000 women entrepreneurs, develop key skills, boost your business and immerse yourself in a 28 day work retreat in Spain. The Break Fellowship is compatible with your work agenda.

The Break Fellowship is a life-long community that starts with a hybrid 10 week acceleration programme towards 3 transformational goals.

- Goal 1

Acceleration:

You and your Business

Take your business to the next level through the latest design and management methodologies, high-level alliances and expert mentoring.

A tailored journey for stronger and more sustainable businesses through workshops, mentoring sessions and peer validation.

- Goal 2

Collaboration:

A life-long international community

The Break community is on a mission to reshape entrepreneurship in the European Union.

From early stage to mature entrepreneurs.

Expand your network and market. Benefit from diversity: a community of 1,000 women where we expect more than 50 nationalities across the European Union.

- Goal 3

Local Development

Giving back is in the DNA of the Breakers. While in Spain, you and your colleagues will engage in some open innovation activities to solve local challenges.

Grow your business while collaborating, learning and having fun with like-minded entrepreneurs and locals.
