The Europe Challenge 2024 | Open Call Q&A session

The Europe Challenge 2024 is inviting libraries and communities of choice to apply to the third edition for local change.

Libraries, Communities and Democracy are invited to apply to The Europe Challenge 2024 to become part of a unique growing network of European libraries that work together to enhance democratic participation and social and environmental wellbeing through citizen-led local change.

The Europe Challenge is an annual programme that brings together teams from libraries and communities across Europe to address social isolation, inequality, disinformation, climate crises and other local challenges by developing, sharing and implementing creative solutions with support from the European Cultural Foundation and its partners. This edition runs from January to September 2024.

The Europe Challenge equips participants with the tools to develop and implement creative solutions through:

- A series of online and in-person workshop and mentoring sessions.
- Funding of up to EUR 10.000 (optional).
- Additional peer-to-peer exchange opportunities and travel.

Deadline: 16 October 2023

An online Q&A session where you can ask questions about the details of the call and the application process will take place on Facebook via a discussion thread on 19 September 15.00 CEST.
