Virtual pavillon Les Cinémas du monde

It offers workshops and also collective and individual meetings with consultants and potential sponsors. The session will end with the Virtual Cannes Film Market Week. June 22-26 2020, during the online film market - Festival de Cannes.

With a programme of activities including the E-Fabrique: this year, 17 film-makers and producers from southern or emerging countries, working on 10 film projects, take part in the Fabrique Cinéma de l'Institut français, a programme aimed at promoting cinema from emerging countries, for a 2020 100% online edition. This e-Fabrique, patronized by Rachid Bouchareb, director among others of « Indigènes » (2006) and « Hors la Loi » (2010), started on May 4 and will go on till June 27.
